Breaking News...

The Brothers of the Major James Henry Dooley Division of the Ancient Order of Hibernians in America present this Special Edition of the Dooley Dispatch to honor our loyal and faithful Brother Pat Naughton. As one of the many positions Brother Pat Naughton has held as a member of the Dooley Division, Pat has been the Editor of the Dooley Dispatch and Webmaster from 1993 – 2016. Brother Pat Naughton has been active in the Order at the Division and State level since 1991. Through the newsletter and website, he supported local LAOH Divisions, Irish organizations, and Irish businesses. He was Division President for 3 years, Treasurer for 4 years, and Financial Secretary for 2 years. During the 1990's, the Division struggled with membership and finances. Brother Pat Naughton's leadership and

support helped the Division grow to the largest Division in the Commonwealth of Virginia and become financially sound. At the State level, he started out as Chairman for Buy Irish and published a directory of Irish businesses in Virginia called the Green Pages. In 2001, he was elected to the position of Treasurer and continued through the chairs to President. He is a member of the Brian Boru major degree team.

Brother Pat Naughton has been active in the community promoting Irish culture. He served on the St. Patrick's Parade committee for 10 years. He instituted a 2-mile race before the parade and was the race director for all three years that it was held.

The Brothers of the Dooley Division thank Pat for all of his contributions to the Division and the Order. We present Brother Patrick Naughton this Special Edition of the Dooley Dispatch as a token of our appreciation.

Presented on this day Tuesday, March 14, 2017
