

The main **objective of Rotary** is to encourage and foster the ideals of service – in the community, in the workplace, and throughout the world

The **Henrico North Rotary Club** sponsors and participates in a number of local service projects each year, funded through its foundation, a 501(c)(3) entity.

Henrico North Rotary has provided over **\$100,000 of scholarships** to more than fifty students of Reynolds Community College. We are proud of the impact we have had on so many students in the community.

Our signature fund raising event is the **Cherry Tee Golf Scramble**, which will be held at the Brookwoods Golf Club on September 28th, 2018.

The **Brookwoods Golf Club** is located just 15 minutes east of downtown Richmond. Algie Pulley is a household name to design-minded golfers who live in Virginia. At The Brookwoods, he crafted a manageable 6,700 yard, par 72 layout that literally follows the lay of the land. The result is a course cut out of thick woods that dips and rolls through surprisingly hilly terrain.
