

Isn't love wonderful
and its all around us
some choose to embrace it
others choose to ignore it
but is there
the electricity, the chemistry
its there
staring into her eyes
staring into his eyes
or across the room
is embracing, all encompassing
effervescent, scintillating
sparkling and sexy
and these lovers have it all
its so obvious
Michael and Colleen may both live as long as you want
and never want as long as you live.

Now heed my advice
there are four things you should never do,
lie Steal cheat or drink

9

But if you must lie, lie in the arms
of the one you dearly love
if you must steal
steal away from bad company
if you must cheat
cheat sickness and death
and if you must drink
drink in the moments
that takes your breath away.
